

*Strength, Durability & Performance*

**NOW THAT'S A  
WHEELBARROW!**

**BUILT  
TO LAST**

# PROBOSS

**Professional grade wheelbarrows built for masonry, concrete construction, demolition, & rough jobs sites.**

Our best selling line, manufactured with a heavy-duty powder coated structural steel undercarriage that stands up to the most demanding job site. The oversized 60" extra heavy-duty varnished hardwood handles, or as an added option, adjustable steel handles enable you to lift heavy loads. Our light weight UV-stabilized HDPE pan is extremely thick & rigid, easy to clean, and stays looking good, job after job. We also offer a holeless steel pan which is shovel friendly. Our standard 1 or 2 wheel 6" wide turf tire with precision bearings gives you better traction and mobility on soft terrain. The complete ProBoss® line is furnished with hand grips.
